

Are You a Young Professional in the Energy Industry? We Want You!

Would you like to attend AESP's Fall Conference, in Portland, Oregon, free of charge? (\$745 value!) The conference will focus on **Bridging the Gap Between Demand Response and Energy Efficiency: *Policies, Technologies and the Smart Grid***. We have an incredible scholarship opportunity, sponsored by Energy Trust of Portland, that will provide four young professionals with the chance to attend. This is an exceptional educational and networking opportunity! How can you or someone you know be one of the lucky four? It's simple! Read the following scholarship qualifications and answer the two questions below:

Young Professionals Scholarship qualifications:

- 1 – 3 years of Energy Efficiency, Demand Response, and/or Smart Grid experience.
- Must be working full-time with any of the following energy-related areas: electric or natural gas utilities, co-ops/munis, regulatory or non-profit entities, vendors, manufacturers, or consulting firms.
- You have approval for travel to attend the conference. Note: travel and lodging costs are not included.

If you meet the above qualifications, provide the following and email to admin@aesp.org by **9/7/2010**.

1. What are three reasons why you would like to attend the conference?
2. What do you plan to accomplish and learn from this conference?
3. I certify that my supervisor will allow travel time to this conference, his/her name is _____ and can be reached at _____.
4. Include your phone number so we can contact you if selected.

AESP Staff will notify winners by phone or email by **9/10/2010**.
